

EXTRA VIRGIN OLIVE OIL

Natürel Sızma Zeytinyağı

زيت الزيتون البكر ممتاز

Known as the first of the trees, the olive tree, has become the symbol of sanctity, fruitfulness, wealth and peace. Our country, blended with the richness of the Mediterranean geography, is at the top of the list of delicious and high quality of olive oil production in the world today.

The subject of many legends, myths and stories, being a health friend of more than one civilization, as well as a source of income; liquid gold is handpicked from the olive tree, which is known as immortal. Besides strengthening the immune system and carrying antibiotic effect, it regulates the digestive system like a probiotic, and helps to reduce blood pressure and cholesterol. In the olive oil process, it is possible to say that it is an elaborated and toiled product due to its agricultural necessities and demanding care from the way of gathering to the packaging and contributing stage.

We, as BioFarm Foodstuffs Trading L.L.C., bring this health, wealth and happiness to your tables. We guarantee a fruity taste as well as perfection of smell as it should be with our genuine olive oil with low acidity.

Together with you, we fight for your health in the most delicious way.
